— DOUBLE BARRELED BOURBON

Tribute

Heirloom grains from small family farms — including once-sacred Cherokee White Corn — aged four years in new charred oak, then re-barreled for maximum flavor. Smooth at 86 proof. A tribute to the land.

— BORN OF POETS & PIONEERS

Three makers. One rule: there are no rules.

Grammy Award-winning artist Eric Church, entrepreneur Raj Alva, and whiskey maker Ari Sussman — a musician who refuses to conform, a builder of the unconventional, and a craftsman given total creative freedom.

"I was excited because it all centered on quality and creativity. There were no rules. It just had to be the finest whiskey possible. Period." — Ari Sussman

OUR FULL STORY

"I would put this up against any whiskey I've had this year."

— THE JYPSI SPIRIT

There's a little *JYPSI*
in all of us.

The wanderers. The ones who take the long way home. Who choose the unmarked trail and the uncharted glass. Born beautifully wild until the world tames it out of us. This whiskey is your invitation to take that first step.
